The Holiday's have been a struggle to staff all of the events. For the New Year we will be focusing on getting new members. Please sign up for the events as we will have the last Cardinal's game on 12/18/2016.

Michelle the treasurer wanted to share with everyone that we share tips for a reason. We need all of the members to get these tips, the booster club only gets the alcohol and bars when we take on the food booths. The alcohol will usually generate more tips; however it is a combined effort. Please remember all tips should be turned in as these are shared between all members that worked the event. If anyone has any questions about tips or reimbursements we have open books and you can request the information. In 2017 Michelle will be doing a quarterly report to show where the money is distributed. If you would like a detailed explanation of any of the disbursements you can schedule a meeting with Michelle and she will explain how it was dispersed.

During the holiday no reimbursements will be done. Michelle will do her best to get out any reimbursements received by 12/18/2016, after that date reimbursements will resume on 1/2/16.

NASCAR tips were \$4010.0 and we made around \$11,000.

Events are paid as they come in and how time allows.

The meeting was adjourned by Misty and seconded by Veronica at 6:45
