### **Treasury Report - Kristen Hanni**

March Treasury Report. Super bowl has paid out and will be on your next statement. It paid \$35.80 an hour. Members will be paid from the colosseum check in time until the end of their shift.

Change to when monthly reports are sent. These will go out the last weekend of the month. If at any time you would like to get your balance please email into [wvsabc@yahoo.com](mailto:wvsabc@yahoo.com) and request your balance. We will email you an updated account balance as soon as we can.

Reimbursement Requests.

Cost of Living cannot be reimbursed.

Medical cannot be reimbursed.

Utilities cannot be reimbursed (This included if you do school from home and need to purchase internet).

How to submit requests as one document vs each receipt individually. There will be a form that we will get out to members to allow all files to go into one file. This will make reimbursements quicker.

If you have any questions on what you can submit for reimbursements, please contact us through the email [wvsabc@yahoo.com](mailto:wvsabc@yahoo.com).

Update on Chase Field. We will be doing Chase field this season. We will be taking on stand 109 which is a food both plus a smaller bar which will staff approximately 12-14 members.

Update on Footprint Center.

New Suns Owner = New changes.

Dress code, black polos and pants. No leggings or shorts. Solid all black non slip shoes. They are starting to send volunteers home if they are not in complete uniform.

We still can only sell 1 double to a customer. Never 2 doubles. The doubles are a little bigger at Footprints and because of this if we one customer 2 we go over the amount allowed by the state law. You can sell them a single with the double, just not 2 doubles to one person.

Starting 3/25 Footprints will be selling hotdogs at the bar locations. Bars will not be responsible for cooking and preparing the hot dogs just selling them.

### **Secretary – Regina Montgomery**

Update on Talking Stick Resort Amphitheater (Formerly Ak Chin Pavilion). New season is starting soon. we will staff West B again. The wine bar has moved across the way and is a portable structure. We will still have the VIP servers again which allows us to have minors there. We will be staffing anywhere from 11- 16 spots. This is an outside venue so we are able to wear all black shorts but they need to be appropriate. Still need black non slip shoes. They will supply the shirt.

Review the Week in Review email / process. Week in review will go out on Tuesday evenings. This is the time to remove or add your name. Please make sure to reply to the week in review email. This helps us keep track. With so many events sometimes, emails get missed.  
No Shows – Last minute call offs and how that impacts the club.

### **Director of Operations – Angie Apodaca**

Food Handlers, TEAMS, and Title 4.

If you have been emailed, asking you to update any paperwork, trainings, or certificates, please do so ASAP.

3 strikes...You're out! 2 reminders then you will be removed from gate lists until completed.

All volunteers, including our minors (16-18 years), are required to have 2 Alcohol Certificates to volunteer.

### **Vice President – Misty Toomey**

We will be doing Phoenix Rising Soccer this season. This season it is located at 38<sup>th</sup> st and Washington. Will have 42 spots to fill and we be able to staff minors. The first game is April 1<sup>st</sup>.

We have been asked to staff Nascar this season. Nascar is only here twice a year, November and March. If you are interested, please go into sing up genius and put your name down. if we have enough interest, we will do it.

April 19<sup>th</sup> State Farm has added USA/Mexico soccer. This was not on sign up genius. If you are available and would like to do this event, please email us in at [wvsabc@yahoo.com](mailto:wvsabc@yahoo.com) and let us know.

Craft Culinary has asked our club if we would be interested in possibly staffing some catering events. this would be very similar with what we do at the Heritage events at State Farm.

### **President Report – Nikki McCormick**

Each venue is unique.

Alcohol service and procedures. Please if you are not sure the procedures ask your lead. Each venue has their own rules.

Lots of new opportunities.

Potentially 8 venues with events.

Please use SignUp Genius. When we use SignUp Genius it gives us a better idea on with staffing and if we can take on more spots. With busier events sometimes we are asked to staff more spots.

Review of Clock In/Clock Out Process.

Make sure we are clocking in and out in your stands. Some venues have more than 1 sign in sheet (one for our club and one for the venue).

Please arrive on time. Please communicate ahead of time. Please be honest.

Volunteer Meals: Stands should be fully set up before meal breaks are taken.

Making Cuts: When, How, and Why?

Topic by Member Request

Downtown Parking – Is this a reimbursable expense? At whose expense?

Within the next two weeks we will be sending out a survey to vote on if we would like the club to reimburse up to a certain amount for parking. In order to do this, we would need to adjust the amount that is taken out the donations. We would only do this for rare crossover events when parking is hard to find and/or a ridiculous amount.

In the past when we did an event at Chase, they had a small lot that we paid \$5.00 to park at. Chase would then reimburse our club for the members that parked there. This allowed us to pay our members back for parking up to \$5.00.

\*\*Right now, there are many options for parking downtown. Some venues do offer free parking. **On every gate list there will be information on parking.** There is also free parking on the streets. The Light Rail offers rides during games at no cost with your ID badge. (The light rail runs 2 hours after a game.) Many of the parking garages offer monthly passes at a discounted rate.
